About China-Biotics, Inc.

Headquartered in Shanghai, China-Biotics, Inc. ("China-Biotics", "the Company") was founded in 1999 and is one of China's largest suppliers of probiotics. Probiotics are beneficial live bacteria used as dietary supplements and food additives to improve intestinal health and digestion. The Company's product portfolio contains live microbials made with proprietary technology. Currently, these products are sold over-the-counter under the "Shining" brand through large distributors to more than 1,000 pharmacies and 100 supermarkets in Shanghai, Jiangsu and Zhejiang. Shining is one of the most recognized brands in Shanghai. China-Biotics plans to expand its retail sales to other major cities in China and will launch 300 Shining brand logistic centers in these cities during the next two years. The Company's flagship product, "Shining Essence", has been a profit driver since its launch in April 2001. There is a significant demand for probiotics for use in the bulk additive market, which is currently met by imports. China-Biotics is building a new plant which will increase its production capacity manifolds to capture this market. For more information, please visit <http://www.chn-biotics.com>.
